Psychometric Test Certification Training

Psysoft offers a range of public training courses providing certification in cognitive ability, personality and emotional intelligence assessment products.

British Psychological Society (BPS) Test User Qualifications

The BPS Test User qualifications enable you to administer, interpret and provide feedback on psychometric tests.

Test User: Occupational, Ability uses a blended approach (e-learning & classroom) to gain practical experience in the administration, scoring and feedback of ability tests.

Test User: Occupational, Personality provides an overview of personality theory and assessment and includes qualification in a specific personality tool.

| BPS Test User Qualifications | |
|---|--------|
| Test User: Occupational, Ability | £1,150 |
| Test User: Occupational, Personality | £1,575 |
| Combined Test User: Occupational, Ability & Personality | £2,200 |

Product Certification

You can become qualified to use the following products without gaining the BPS Test User qualifications.

| Product Certification (without BPS qualifications) | |
|--|--------|
| EQ-i 2.0 & EQ 360 | £1,575 |
| NEO-PI-3 | £1,450 |
| Pearman Personality Integrator | £1,350 |
| Change Style Indicator (CSI) | £900 |
| Influence Style Indicator (ISI) | £900 |
| Decision Style Profile (DSP) | £900 |

In-house training

For a group of 4 or more people, we will be pleased to deliver the training on your organisation's site throughout the UK. Please contact us for a quote.

E-learning

We provide a range of modular e-learning courses developed by qualified occupational psychologists. These courses are suitable for HR professionals and line managers in organisations who are either recruiting new employees or developing existing staff.

The Fundamentals of Psychometric Testing

This course provides an overview of psychometric testing, what types there are, and how they should be used. It explains the key areas of test selection, scoring, norming, reliability, validity and best practice.

Become an Assessor

This course provides your employees with the knowledge required to develop skills in assessment centre design and implementation.

Effective Interviewing

This course provides your employees with the knowledge required to develop skills in competency-based interviewing.

| E-learning Courses | |
|--|------|
| The Fundamentals of Psychometric Testing | £390 |
| Become an Assessor | £150 |
| Effective Interviewing | £150 |
| Combined Become an Assessor / Effective Interviewing | £200 |

Online Products (self-administered)

The following products are available via the MHS Talent Assessment Portal for people qualified in the relevant products.

| EQ-i 2.0 & EQ 360 | |
|--|------|
| EQ-i 2.0 Administration + Workplace report (client and coach) | £56 |

Psycentre Psychometric Testing Service

Psycentre offers a variety of online assessments for selection, listed on the following pages. The prices shown include online administration and the computer-generated report listed per candidate.

For further information, test descriptions and sample reports, please see our website: www.psycentre.com.

Information

A broad range of assessments is available and listed on our website: www.psycentre.com.

Please note that some assessments and reports are only available to people qualified in Test User: Occupational, Personality (Level B) or in the specific tool. These are marked on the website as shown:

* Must be trained in the specific tool

** Must be a certified Test User: Occupational, Personality (Level B)

Please refer to our best practice guidelines on our website: www.psycentre.com

Optional Extra Services

Job-fit Report (£80 per candidate)

One of our consultants will review the job description and evaluate each candidate's fit to the role. The report will identify strengths, concerns and interview questions for the candidate.

Candidate Feedback

Half hour telephone feedback session - **£130 per candidate**

One hour telephone feedback session - **£200 per candidate**
